

## HAPPYCITY ON ACCESS TO EDUCATION, CULTURE & ARTS

HappyCity believes that the opportunity to receive a quality education is a right, not a privilege to learn knowledge and skills, which are very essential to the development of learning about culture and arts.

### EQUAL ACCESS TO EDUCATION

---

Education boosts the nation's economy and enables efficient and wise decision-making skills that contributes to the knowledge, values, creativity, skills, human capital, and civic sensibility of citizens.

### SUPPORTING THE CULTURE & ARTS

---

Cultural diversity for humanity is based on elements such as language, sense of identity, core values, change in values, beliefs, norms, customs and the participation in cultural activities such as the arts.

“YOU HAVE TO BE WILLING TO GET HAPPY ABOUT NOTHING”
